Professionals

Time is the professional's most valuable asset. That's why financial planners, brokers, attorneys, real estate agents and many more rely on smart communication tools from Post-it® Brand to help them respond to client needs quickly and intelligently. Make multiple, positive impressions and get your brand out there.

Post-it® Flags and Flag Pod

Express your message on Post-it® Flags or the handy Post-it® Flag Pod dispenser, a great organizational tool, for continuing visibility where they work.

Post-it® Flag Highlighters and Pens

Post-it® Flag Highlighters and Pens let professionals highlight or notate a section, then flag the page for later reference. Put your message on a product they'll use with financial documents, spreadsheets and files.

Custom Printed Pop 'n Jot™ Desktop Dispenser

Keep your brand where they can see it. Post-it® Pop-up Note Dispensers make it easy to grab a note and stays on their desk to generate lots of impressions.

Post-it® Note Cube

Create long lasting impressions with side-printing that is easily visible on the desktop and individually printed notes that carry your message throughout the office with each sheet.

Post-it® Notes

Communicate your message on the brand and product that business professionals use to communicate to themselves and with others. Post-it® Notes have been trusted and valued by professionals for more than 25 years.
